Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Well Fed Realtor, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Looking for a way to boost your real estate marketing with good, old (somewhat chaotic) Twitter? Want to know how to turn all those tweets, retweets, favorites -- and often unstable users -- into tangible benefits to your real estate business. Interested in the secrets of a successful real estate marketing social media campaign that DOESN'T require you to work 12 hours a day and take every ounce of mental energy you have? Well, worry not, ambitious real estate agent! Because in: Real Estate Marketing in the 21st Century Vol. 1 - Twitter Marketing for Realtors you'll learn, in this straight-shootin' of real estate marketing books, real estate marketing strategies that include: "The 'How to Make Money From Twitter' Blueprint" - When becoming a real estate agent it can be a challenge to know what you should and should not on a strategic level. This offers a simple step-by-step system you can use to turn all those tweets and retweets and followers into actual cash. "How to Create a Kick-Ass Twitter Profile" - This will get you up and running, quickly, without fuss, primed for Twitter real estate awesomeness. "How to Get a Ton of Twitter Followers (FAST!)" - Here we'll show you some ninja tricks for boosting your Twitter tribe and making a real dent in your real estate marketing plan. (And most of it you can outsource to other people.) "Custom Apps (and Why They are your Best friend)" - I'll explain how Facebook royally tries to screw us over as marketers, and how custom apps can help you take back the power with focused little silos of content that are a perfect part of your real estate marketing plan. "The REAL Secret to Effective Twitter Real...
