Date :2004-7-1. In order to meet the new curriculum standards for the nine-three-year junior high school textbooks (revised version) to use, we deliberately wrote this New Junior Classical decipher. Book with new material, based on Protestant participation, and making it into one organic whole. Written by decipher text, knowledge classification of two parts. Decipher text contains the problem solution, the author (works) profile, decipher, with a total solution of four. Problem solution is the interpretation of the main title, introduced the background. Author (work) brief introduction the author focuses on the thoughts and works of historical value. The total solution is the sum ideological and artistic texts. To decipher the text is focused, for the translation, notes and commentaries. In brackets before the table notes, after the table commentaries, of which a small note in brackets, we have a negative attitude. Knowledge classification is involved in lexical texts, syntax, and so to summarize, summarized. This part of the classical test questions from the calendar year in the selection of Writing Column....
